FACTS AND FIGURES

MALAYSIA NATIONAL POPULATION AND FAMILY DEVELOPMENT PROGRAMME

PREPARED BY:
DATIN DR. NOOR LAILY BT. DATO' ABU BAKAR
DR. TAN BOON ANN,
RAMLI OTHMAN AND
KUAN LIN CHEE
1982

HARGA: $5.00
CONTENTS

CHAPTER I: THE LAND AND THE PEOPLE 1-2
1.1. Geographical and Climatic Background 1
1.2. The People: Religion, Family System and Marriage System 1-2

CHAPTER II: THE DEMOGRAPHIC PROFILE OF MALAYSIA 3-49
2.1. Introduction 3-4
2.2. Population size and growth rates 4-10
  2.2.1. Past, Present Trends in Population Size and Growth 4-7
  2.2.2. Prospects of Future Population Growth in Peninsular Malaysia 7-10
2.3. Natural Increase, Fertility and Mortality Levels 11-36
  2.3.1. The Emergence of the Demographic Transition in Malaysia 11-13
  2.3.2. Trends in Fertility, Mortality and Natural Increase 13-26
    2.3.2.1. Trends in 1947-1957 13-17
    2.3.2.2. Trends in 1957-1964 17-21
    2.3.2.3. Trends in 1964-1970 21-22
    2.3.2.4. Trends in 1970-1979 22-23
    2.3.2.5. Prospects of the Future Crude Birth Rate (CBR) Trend 23-26
  2.3.3. Decomposition of the Crude Birth Rates 26-30
  2.3.4. Analysis of the Age-Specific Fertility Rates 30-31
  2.3.5. Analysis of the Marital Age-Specific Fertility Rates 31-36
2.4. Population Structure and Distribution 36-49
  2.4.1. Ethnic Composition 37-38
  2.4.2. Age-Sex Distribution 38-42
  2.4.3. Marital Structure 42-49

CHAPTER III: THE SOCIO-ECONOMIC STATUS OF MALAYSIA 50-61
3.1. The Malaysian Economy and National Income 50-52
3.2. Education and the Literacy Rate 52-54
3.3. The Health Status and Life Expectancy 54-58
5.2.6. Second UNFPA Contribution to the Malaysian Population and Family Development Programme. 94
5.2.7. Future Implication. 95

5.3. Staffing Pattern of the Total National Programme. 95–100
5.3.1. National Family Planning Board Personnel. 95–96
5.3.2. Federation of Family Planning Associations Malaysia Personnel. 96–98
5.3.3. Ministry of Health Personnel involved in the Integration Programme. 98–100

5.4. Contraceptive Supply. 101–102

CHAPTER VI: PERFORMANCE AND ACHIEVEMENT OF THE NATIONAL PROGRAMME 103–135

6.1. The Contraceptive Service Coverage. 103–111
6.1.1. Target and Achievement. 105–107
6.1.2. Coverage of Eligible Women and High Risk Mothers. 107–111

6.2. The Training Coverage. 112–113
6.2.1. Performance of the Training Activities. 112–113

6.3. The Information—Education—Communication (IEC) Coverage. 113–123
6.3.1. Performance of IEC Activities. 114–116
6.3.2. Specific Objectives of the National Development Support Communication System 116–117
6.3.3. Programme areas of the National Development Support Communication System. 117–123

6.4. The Evaluation, Socio-Economic and Demographic Research Coverage. 123–127
6.4.1. Performance of Evaluation, Socio-Economic and Demographic Research Activities. 124–127

6.5. The Medical, Sociological and Biological Research Coverage. 127–130
6.5.1. Performance of Medical, Sociological and Biological Activities. 127–130

6.6. The Library and Documentation Centre of the National Family Planning Board. 130–132
6.6.1. Services to the National Family Planning Board. 131
6.6.2. Acceptors Library Services. 131
6.6.3. ASEAN Computer System Library Services. 132

6.7. The Population, Family Health and Family Development Project. 132–135
CHAPTER VII: SOME SOCIO-ECONOMIC CHARACTERISTICS OF THE ACCEPTORS. 136-140

7.1. Younger Age-Groups Accepting. 136
7.2. Lower Parity Acceptance. 137
7.3. Shorter Open-Interval. 137-138
7.4. More Spacing. 139-140
7.5. Shorter Duration of Marriage. 140

CHAPTER VIII: WHAT THE SURVEYS REVEAL?!? 141-148

8.2. The 1969 Family Planning Acceptor Follow-up Survey, West Malaysia. 142-143
8.3. The 1970 Post Enumeration/Knowledge, Attitude and Practice Survey. 143
8.4. The Defaulter Survey, 1971. 143-144
8.5. The Malaysian Fertility and Family Survey, 1974-1975. 144-145
8.6. Staff Baseline Survey in the Intensive Input Demonstration Areas, 1975. 145
8.7. Family and Health Survey in IIDA’s 1976/1977. 146
8.8. Family and Health Survey in the Federal Territory and Petaling Jaya, 1977. 146-147
8.10. Second Family and Health Survey in Intensive Input Demonstration Areas (IIDA), 1979. 147-148

CHAPTER IX: INDICATORS OF PROGRAMME IMPACT 149-159

9.1. The Impact of Family Planning/Contraceptive on Fertility Behaviour. 149-152
9.2. Trends of Knowledge, Attitude and Practice (KAP) of Family Planning. 152-153
9.3. Family Planning Programme Effects on Fertility Rates of Acceptors. 153-157
9.3.1. Results of the Study. 153-154
9.3.2. Difference in Fertility by Age. 154-157
9.4. Impact of the Malaysian National Family Planning Programme On The Birth Rate — A Comparison of Matched Acceptors Versus Non-Acceptors Birth Rates. 157-159
CHAPTER X: FUTURE PROSPECTS AND SCOPE FOR THE NATIONAL POPULATION AND FAMILY DEVELOPMENT PROGRAMME.

10.1 Introduction. 160

10.2 Major Linkages between Population and Socio-Economic change. 160—161

10.2.1. Population and economic growth. 160

10.2.2. Population and Labour. 160

10.2.3. Population and Basic Needs. 160

10.2.4. Other Linkages. 161

10.3. The Linkages in Malaysian Policy. 161

Glossary 164—169
